

Marine Catastrophe Claim Form

Kindly begin the process of securing your vessel.

If there are items which are damaged please keep them in a safe place for inspection by the insurance company's representative and also ensure that insurers are given an opportunity to inspect and agree the damages **before** any **permanent** repairs are carried out.

In addition kindly supply us with the following information at your earliest convenience:

- Complete enclosed claim form and return to VRSC@vrscayman.com **immediately** so that we can have your claim logged with your insurance company, (**It is important that this form is returned as soon as possible**). Complete information speeds up the settlement of claims so please provide the exact street address and contact numbers.

After submitting the claim report, kindly obtain and provide us with:

- two estimates of repair or cost of replacement
- Photographs of damages are essential.
